

STUNT TEAM INFO PACKET

2023-2024

WHAT IS STUNT?

STUNT is a new, competitive team sport that has derived from traditional cheerleading. STUNT removes the crowd and focuses on the technical and athletic components of cheer, which includes group stunts, pyramids, basket tosses, jumps and tumbling skills. Each contest consists of four quarters of play (Stunts, Pyramids & Tosses, Group Jumps & Tumbling, and Team Performance) with a halftime in between the second and third quarters. These elements are put together in short routines that both teams must perform head-to-head on the floor at the same time. The team that executes the skills best wins the round and the point, and has the opportunity to determine which of routine level will be called next.

HOW IS STUNT DIFFERENT TO TRADITIONAL COMPETITIVE CHEERLEADING?

STUNT focuses on cheerleading technique, progressions, and on the athletes' strengths. Because the competition is broken into 4 quarters, this allows coaches to place kids based on where they will best excel.

WHAT IS THE COST?

Because stunt teams do not wear traditional uniforms and competitions are head to head, the cost to participate is considerably cheaper than traditional competitive cheer and all-star cheer teams. **Here is the financial obligation breakdown for the season** (*does not include cheer shoes or game fees / game fees are split amongst the entire team & you can expect to spend on average \$10-\$20 depending on size of team & cost of game fees):

PRICE	CHARGE TYPE	DUE DATE
\$135	December Tuition (3 weeks)	12/01/2023
\$28	USA Cheer Membership	12/01/2023
\$120	Uniform	12/01/2023
\$180	January Tuition	01/01/2024
\$180	February Tuition	02/01/2024
\$180	March Tuition	03/01/2024
\$180	April Tuition	04/01/2024
TOTAL = \$1003	(*does not include shoes & game fees)
